AND DON'T MISS . . .

NEW!

RESPRO® Idea Sharing Roundtables

In a new RESPRO® format, you'll be able to join your colleagues and expert discussion leaders in one of three rooms filled with several roundtables of 10 or less to talk informally and off-the-record about your specific one-stop shopping strategies or regulatory compliance issues! No presentations, just one-on-one interaction!

Optional . . .

Meet Your Congressional Representatives

RESPRO®'s Annual Conference provides a great opportunity for you to let your elected representatives know your views on the issues before they enact legislation and regulations that could affect your ability to offer one-stop shopping through affiliated businesses and strategic alliances. Just let RESPRO® know that you're willing to stay for a few hours after the noon adjournment time, and RESPRO® staff will help you schedule and prepare for the appointments!
